

Dear Families & Students,

## We are ready for a Spooktacular Month

Halloween is right around the corner. Don't forget we have a Fall Festival date, TBD. We would appreciate all children no matter the age to please be here at a reasonable time. Cut off is 10am but the girls start so much earlier than that. We want to keep it as open as we can but we will be looking at an earlier cut off time to help keep the disruption to instructional time down.

**Reminder to label all your child's belongings. We are still having problems with no names. Also, ALL CHILDREN need a bag with extra pair of clothing! We will not provide extras.**

\*Please call the center by or before 2:30pm if we are not picking up your child from school.

*If you have any questions, please ask your child's teacher or the Director, Nichole, Cobyllynn*

Per handbook policy, children need to be at daycare, **by 10am** unless prior arrangements have been made (doctor appointments, etc.). We need to know for our lunch count, and it does help our teachers when implementing their daily activities. Please note, we **do not** allow children to be brought in during nap time hours (11:30am-2pm).

Please make arrangements afterwards or with the Director.

Thank you very much!
